

WHY DAILY DETOX PLUS IS NECESSARY

HELPS SAFELY REMOVE HEAVY METALS like mercury, cadmium, arsenic, lead, cesium, strontium, aluminum, uranium and others from your tissue and cells.

MAY DECREASE INFLAMMATION by getting rid of bio-toxins, for instance black mold spores, and other chemicals.

ABNORMAL CELLS - May inhibit and eliminate the replication of rapidly reproducing abnormal cells.

METABOLISM - Maybe reduce cellular body fat that toxins hold on to, while increasing basal metabolic rate and lean mass.

MAY HELP REMOVE BLACK MOLD SPORES. The black mold spores attach to the cage structure of our product and are carried out of the body.

NUTRIENT ABSORPTION - Helps increase absorption of essential minerals, nutrients, super foods, supplements and essential oils and carry them to the right places.

ENERGY - Helps increase overall energy, mental focus and clarity.

YOU MAY EXPERIENCE BETTER AND DEEPER SLEEP. Some customers reported that they started dreaming again.

HELPS REMOVE LYME SPIROCHETES. Customers report that their Lyme symptoms are less severe.

HYDRATION - Helps increase cell hydration, cell membrane efficiency, vitality, and energy. When toxins hold on to and pollute our cells, our cells are not able to hydrate normally.

MEMORY - Helps increase electrical activity in the brain as well as increase memory

FUTURE MOMS - Helps eliminate exposure to chemicals and toxins that future moms may share with their unborn during pregnancy.

DAILY DETOX PLUS FAQ

Q: WHO CAN USE DAILY DETOX?

A: Everyone! Adults, children, seniors, and pets. In the United States, zeolite is registered as safe for human consumption by the Food and Drug Administration (FDA)

Q: ARE THERE ANY SIDE EFFECTS?

A: Other detoxifying products pull heavy metals and toxins out of the tissue and flood the bloodstream with the toxins, which is what causes unpleasant side effects. With zeolite, when the toxins and heavy metals are pulled out of the tissue, they are trapped in the zeolite cage and your body is not re-exposed to them, thereby reducing the possibility of any negative side effects.

Q: CAN I TAKE DAILY DETOX WITH MY SUPPLEMENTS?

A: Yes! Whole food supplements - including our RESTORE product - will not be captured by zeolite in any way. However, before taking any new supplement, we always recommend consulting with your physician.

Q: HOW LONG DOES ZEOLITE STAY IN THE BODY?

A: Once consumed, zeolite immediately captures and traps toxins both within and on its cages. Zeolite is not stored in the body. It will only stay active in the body for approximately 5 to 7 hours, before being excreted through normal bodily processes.

SUGGESTED USE:

Take 10 drops 2x a day
(Breakfast and Dinner)
